# Paper rope.

## Woven room dividers.

Texture, pattern and a space of your own.

A selection of paper-rope screens, from classic basket weaves to colour blocks, openwork details and shelving layouts.

**MADE TO ORDER**

Your dimensions. Your colours.
Your panel arrangement.

21 reference configurations / 7 collections

# Classic basket weave

One classic weave in three finishes. Colours can be developed to your brief.

MG-PR-01

## Natural basket weave

Straight-top / natural tone

MG-PR-02

## White basket weave

Same weave / white finish

MG-PR-03

## Black basket weave

Same weave / black finish

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Arched woven panels

Curved tops soften the outline; compare the weave and accent details.

MG-PR-04

## Warm arched weave

Curved top / framed weave

MG-PR-05

## White arched weave

Curved top / broad weave

MG-PR-06

## Diamond accent weave

Woven diamond accents

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

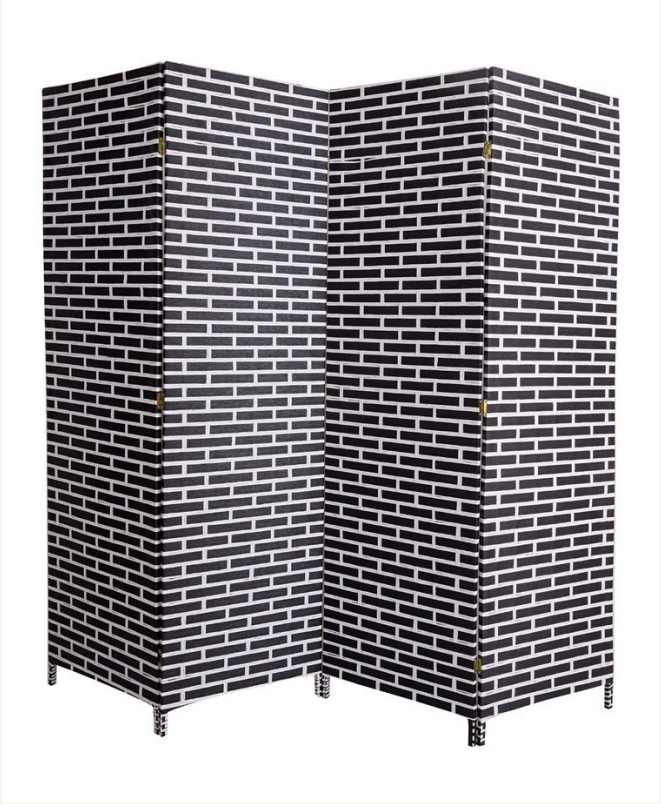
# Brick-pattern weave

Offset bands create a brick pattern in natural and contrasting colourways.

MG-PR-07

## Natural brick weave

Offset weave / dark outlines



MG-PR-08

## Black & white brick

Offset weave / white outlines

MG-PR-09

## Brown & tan brick

Offset weave / warm outlines

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Checks & colour blocks

Explore small checks, large checks and contrasting upper and lower sections.

MG-PR-10

## Two-tone colour block

Contrast upper and lower sections

MG-PR-11

## Fine checker weave

Small repeated checks

MG-PR-12

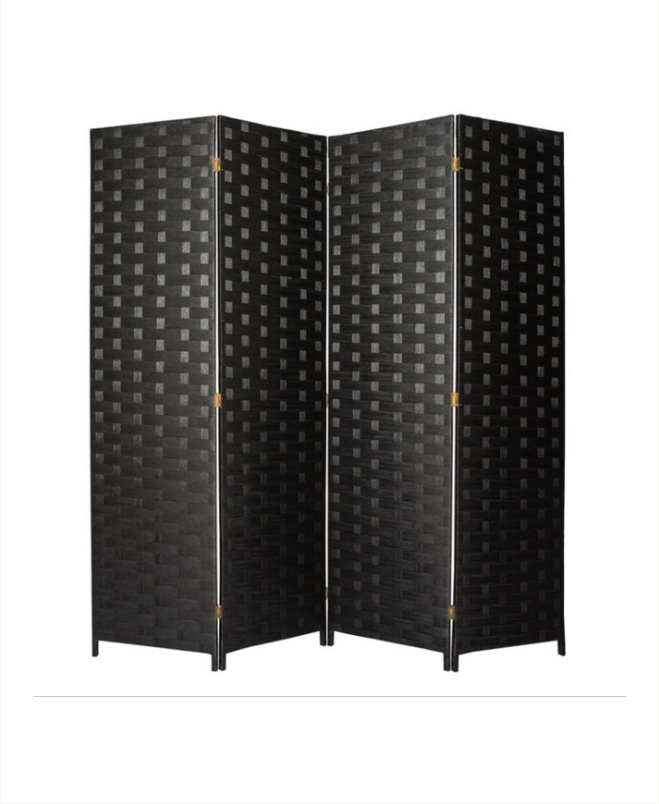
## Framed checkerboard

Large checks / dark frame

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Distinctive woven details

Change the character with an open weave, a defined frame or rounded panels.



MG-PR-13

## Open basket weave

Visible gaps / straight top

MG-PR-14

## Framed contrast weave

Border frame / cross rails

MG-PR-15

## Oval diamond weave

Rounded panels / open base

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Openwork top & base

Openwork bands add a lighter edge to the top and base of each panel.

MG-PR-16

## Dark lattice bands

Six panels / openwork bands

MG-PR-17

## White lattice bands

Four panels / openwork bands

MG-PR-18

## Extended lattice layout

Six-panel configuration

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Shelves & wider layouts

Add display shelves or develop a wider folding arrangement for your space.

MG-PR-19

## Woven screen with shelves

Two integrated display levels

MG-PR-20

## Six-panel arched layout

Extended folding configuration

MG-PR-21

## Eight-panel basket layout

Extended folding configuration

Custom sizes, colours and panel layouts. Quote the reference code when enquiring.

# Your idea, woven to order.

Choose a reference from this collection or send your own design.

### 01 / Weave & pattern

Share the texture, pattern and level of openness you want.

### 02 / Size & layout

Specify overall dimensions, panel count, top shape and frame finish.

### 03 / Colour & details

Choose colour references, contrast bands, shelf details and hardware finish.

### 04 / Order brief

Send quantity, destination and packing requirements for a tailored quotation.
